

## Analysing Music

When you are analysing music there are three things to consider:

- Musical elements
- Context, time and place
- Purpose and intention

What do you think these mean? Write a description here:

‘Musical elements’ means.....

‘Context, time and place’ means.....

‘Purpose and intention’ means.....

## **Pat Metheny *Question and Answer***

### **Context, time and place**

Answer the following questions:

- *When was the piece written?*
- *Where was the piece written?*
- *What was the work written for?*
- *Who is Pat Metheny?*
- *What else is he known for?*
- *Who else plays on the track?*
- *Was the track successful?*

## **Pat Metheny *Question and Answer***

### **Purpose and Intention**

Answer the following questions:

*Is the piece part of a larger work?*

*If so, what are the other pieces? What are they like?*

*What style of jazz is 'Question and Answer'?*

*Has the piece been performed in different versions?*

*What is the purpose of a jazz waltz?*
